

Dear Colleague,

The Scientific Committee encourages the submission of abstracts for **poster presentation** for the "International Cerebrovascular and Skull Base Workshop", that will take place in Ghent on September 7-10, 2011.

ABSTRACT SUBMISSION

Abstracts can be submitted for poster presentation only and **NOT** for oral presentation.

To apply, please submit an abstract online (250 words limit) in English.

The instructions for authors and the online submission form are available online at:
<http://www.skullbase2011.be/content/call-abstracts>

Abstracts on the following topics can be submitted:

- Intracranial schwannomas
- Skull base tumor surgery
- Aneurysms
- Endoscopy for skull base tumors
- Skull base meningiomas
- Skull base tumor surgery
- Vascular Malformations
- Miscellaneous

Abstracts must be received by the announced deadline of **Monday, August 15, 2011**. Abstracts received after the deadline will not be considered.

Abstracts will be reviewed by the Scientific Committee, soon after the call closes on August 15, 2011. If your abstract is selected, we will contact you with details concerning the size and format of the poster.

We look forward to receiving your abstracts!
